

The Path of Grace Home is a faith based, long-term, sober-living facility for women who are recovering from alcohol and drugs. This recovery home offers a structured, protected opportunity for individuals to grow in their recovery, rebuild relationships, and return to productive family and community involvement.

The mission of the program is to assist alcoholics and addicts to achieve sobriety and redirect their lives in recovery. The 12 steps of Alcoholics Anonymous, Christian principles, structure, accountability, group support, and one-on-one therapy sessions with a licensed counselor, are utilized to develop, maintain, and enhance the journey into a better more fulfilling life.

The program requires a six-to-twelve month in-house residency for its participants. Acceptance into the home and the program is contingent on a person's desire to change and willingness to accept guidance and direction. Residents must adhere to a strict set of guidelines and activities that form the foundation for life transformation and recovery.

INCREASE THE CHANCES OF SUCCESS

Learning to enjoy life without substance abuse and learning to develop true and healthy relationships, is possible, but often requires more than just detox or even short-term treatment. Statistically, long-term treatment is the most likely therapeutic program to bring about a life of sobriety and improved health. Long-term rehab increases the chances of success because the values, skill sets, and lifestyle for sober living require time to crystallize. The ultimate goal is for the participant to take these values, skill sets, and lifestyle with them when making the transition back into normal living.

Through our unique long term recovery plan, we believe that alcoholics and addicts can learn to live a life of sobriety filled with self-respect, sincerity, and responsibility. Consistency in the daily lives of our participants leads to a realization of the essence of their addiction and establishes a lifestyle for living that will not erode over time.

"I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." Jeremiah 29:11
